

The *my faith FAMILY* Approach

Churches caring for those who care for orphaned children

The *my faith FAMILY* Mission Statement

The churches that participate in the ***my faith FAMILY*** program will surround each foster family with volunteers—we call them “Villagers”—who embrace the missionary call to care for those who care for orphaned children.

***my faith FAMILY* Belief Statement**

“To care for widows and orphans in their distress.” - James 1:27

***my faith FAMILY* Core Values**

- **Church**—the body of Christ is called to love through relationships
- **Children**—every child longs for and deserves a loving family
- **Foster families**—provide orphaned children a safe and nurturing home environment
- **“Villager” support groups**—foster families need help, and healthy foster families ensure healthy foster children
- **Prayer**—helping foster families provide safe and nurturing homes—this is God’s work
